Lemman Computers & LAN Gaming supports the Entertainment Software Review Board's (ESRB) rating system for games. The ESRB (www.esrb.com) has established a rating structure, similar to a movie rating system, which classifies age groups. Lemman Computers & LAN Gaming enforces these standards unless we receive direction otherwise, from you, the parent or legal guardian. Our list of available games and their ratings may be found on our website, www.Lemmancomputers.com.

Mature (M) Rating Disclaimer

In some cases, games rated "M" for mature audiences (17 and older) are among the most popular games available. They are given this rating as a conservative precaution because of graphic action involved. Please indicate below if you will allow your minor access to games rated "M" although they may not be 17 years of age.

I Do ___ Do Not ___ give permission for this minor to access games with an "M" rating. Parent/Guardian Initials _____
